

# Attention

## Tertiary Level Students!

The National Gas Company of Trinidad and Tobago Limited (NGC) in partnership with The University of Trinidad and Tobago (UTT) invites you to participate in a free 5-day Natural Gas Workshop.

### When will this Workshop be held?

The Workshop with identical course outlines will be held on four occasions:

- Session 1: 26 July - 30 July, 2010
- Session 2: 2 August - 6 August, 2010
- Session 3: 9 August - 13 August, 2010
- Session 4: 16 August - 20 August, 2010

The sessions are from 8.30am to 4pm at the **Employee Centre, NGC's Head Office, Orinoco Drive, Point Lisas Industrial Estate.**

**Registration deadline is 16 July, 2010 for any of the above-mentioned sessions.**

### What will you learn at this workshop?

- Structure, history and role of the natural gas industry in Trinidad and Tobago
- Introduction to hydrocarbons and energy science
- The natural gas value chain: upstream, midstream and downstream
- Environment and safety in the natural gas sector
- The legal, financial and regulatory framework of the natural gas sector
- Corporate social responsibility
- Careers in energy

There will also be guided tours of the Point Lisas Industrial Estate and other points of interest.

**A Certificate of Participation will be issued to all those who have completed the workshop and field trip.**

### Who is eligible to participate?

You must be currently enrolled in an undergraduate degree programme at a recognized tertiary level institution. First preference will be given to third year

students, followed by second year and, finally, first year. You do not need to be in a scientific field of study.

***Note:** If you registered for last year's programme, but were not chosen, please re-apply for the programme if you are still interested. You will be given priority.*

### How can you apply?

Fill out the online application form available on NGC's website [www.ngc.co.tt](http://www.ngc.co.tt) with your contact details and your preferred time frame (that is, Session 1, 2, 3 or 4).

Or you can fax or e-mail your information to:
