

**THE NATIONAL GAS COMPANY
OF TRINIDAD AND TOBAGO LIMITED**

The National Gas Company of Trinidad and Tobago (NGC) is a proud sponsor of The 2013 Tobago International Cycling Classic

As a key sponsor of the Tobago International Cycling Classic, which is endorsed by the International Cycling Union (UCI), NGC is thrilled to support this event, which has raised the bar of cycling to unprecedented heights for this region. The event, which is now viewed by most international teams and cyclists as an important race on their calendar of events, will be broadcast to the world on ESPN. This will have a significant impact on the attraction and visibility of Tobago as a world-class sporting venue and tourist destination.

The line up for the six-day event combines high quality cycling, local entertainment and tours to some of Tobago's spectacular tourist attractions.

Join us in Tobago from October 1st to 6th, 2013.
