

ATTENTION GENERAL PUBLIC

The National Gas Company of Trinidad and Tobago Limited (NGC) will be undertaking modification works to our 2-inch natural gas pipeline which supplies Mohammed's Service Station, Point Fortin and routes along the Point Fortin Main Road.

These works will include isolation of the pipeline and venting of gas, which will produce a hissing sound. As such, we kindly request that members of the public proceed with caution during this period.

**THIS ACTIVITY IS SCHEDULED FOR
Wednesday 19th November, 2014
8:00pm - 11:30pm**

Additionally, please be advised that CNG will not be available at Mohammed's Service Station from Thursday 20th November to Monday 24th November, 2014. We apologise for any inconvenience that may be caused.

If you have any concerns during this activity, please contact:

NGC's 24-HOUR EMERGENCY HOTLINE: 800-4427
