Preparing our children for any emergency

NGC's 2010 Safety Art Competition Prizegiving Ceremony November 2, 2010

As part of the 2010 Community Awareness Emergency Response (CAER) Schools Programme, NGC invited primary school children from its fenceline communities to express, through the medium of art, what they had learned about Natural Gas Safety.

Students from **Phoenix Park Government Primary, Carapichaima ASJA Primary, San Francique Presbyterian, Pepper Village Government Primary, Rochard Douglas Presbyterian, Vos Government Primary, Kanhai Presbyterian** and **Mt. Pleasant Government Primary** were invited to particpate in the CAER Safety Art Competition. It challenged students between the ages of 6 and 12 years to explore the theme *CAER Keeps us Safe and Sound.*

Some 283 entries were received. Thirteen winners were chosen by a panel of judges led by renowned artist, Pat Bishop TC. All 13 pieces of art will be highlighted in NGC's 2011 corporate calendars, planners and diaries.

NGC wishes to congratulate the young winners and to thank the principals and teachers for their support and commitment to this initiative.
